Dear Ghansham,

The Government of Punjab launched a flagship programme in 2017 called Ghar-Ghar Rozgar and Karobaar (GGRK), according top priority to creation of jobs through quality education, skill development and promotion of industry – with an aim to provide employment to every household.

It gives me immense pleasure to share that our District attained the 1st position during the recently concluded 5th Mega Job Fair organized by the Government of Punjab under this Mission – facilitating employment to over 13000 youth.

I would like to place on record my appreciation for the hard work and tireless efforts by you and your team to make this possible. Your efforts will go a long way in making a difference in the lives of these youth and their families.

I wish you all the best for your future and hope that you will continue to serve the people of the State with the same dedication and commitment.

Warm Regards,

Yours sincerely,

Girish
