15. Multidisciplinary / interdisciplinary
<p>The New Education Policy, 2020 envisage structural changes while introducing holistic & multidisciplinary curriculum that has the potential to overhaul the learning environment as well as the learning process for the students. It aims for holistic academic growth among students by providing freedom to choose from preferred options of subjects and range of programs offered in an institution. Shaheed Major Harminderpal Singh (Shaurya Chakra)</p>

Government College, Sahibzada Ajit Singh Nagar (Mohali) is an affiliated college to Punjabi University Patiala, which is a state university. It has to follow a road map or guidelines prepared and provided by the State Government. As and when the University prepares or provides a curriculum to implement the multidisciplinary/interdisciplinary structure of New Education Policy the College will abide by it. The College at its level encourages interdisciplinary activities by organizing special lectures, Quiz, Science Fest, ect. on topics cutting across the disciplines.

16.Academic bank of credits (ABC):

One of the innovative provisions of the new National Education Policy 2020 (NEP 2020) is the introduction of the concept of Academic Bank of Credit (ABC). ABC will facilitate multiple entry and exit opportunities to the students of undergraduate and postgraduate degree courses for various academic programs. The ABC allows students to earn and secure credits from registered Higher Education Institutions and through schemes such as SWAYAM, NPTEL and various other upcoming Massive Open Online Courses. Shaheed Major Harminderpal Singh (Shaurya Chakra) Government College, Sahibzada Ajit Singh Nagar (Mohali) is an affiliated college to Punjabi University Patiala, which is a state university, hence, it follows the curriculum and structure prepared by the affiliating university in this regard. The institution will follow the guidelines of the affiliated university and Higher Education Department of the state. As and when the University or the Education Department prepares or provides a roadmap to implement the ABC, the College will abide by it. The College at its level has initiated programs through Departments such as Fine Arts and Home Science wherein students are assigned credits/weightages in internal assessment on behalf of the work done in different projects.

17.Skill development:

- 1) Certificate course - (Pharmaceutical Chemistry)
- 2) Diploma Course-(Pharmaceutical Chemistry)
- 3) Advance Diploma Course- (Pharmaceutical Chemistry)
- 4) Certificate course - (Instrumentation)
- 5) Diploma Course- (Instrumentation)
- 6) Advance Diploma Course- (Instrumentation)

18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

The college thrives on incorporating the elements of the Indian Knowledge System in teaching. The medium of exams in science and commerce streams is mostly English but the medium of instruction involves the professors' usage of Indian languages like Punjabi and Hindi in addition to English. However, the subjects under humanities allow the student the freedom to choose their medium of writing in the language they prefer. The professors from the Science Department ensure to impart the historical background, philosophy and scientific temperament connected with different scientific discoveries and inventions while teaching. Arts, Commerce and Science departments often impart the knowledge of ancient Indian ideas, notions and beliefs to students during lectures via Digital Teaching Aids. Throughout the year, different activities are conducted by Fine Arts and Home Science departments to instil India's rich and diverse culture and traditions among the students.

19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

The students from the Home Science department are taught sewing, cooking, art and craft so that they become self-dependent and can earn their livelihood. The Hospitality department of the college polishes the culinary and hospitality skills of the students with which they become eligible for the jobs of receptionist, serving staff, manager, cook in different restaurants and hotels. The IT department prepares students for different technical jobs. Many companies prefer students holding B.Sc. (Non-Medical and Computer Applications) degrees. Job fair is organised by the college where several multinational companies participate and choose the students as per their requirement. Thus, the education provided

to the students prepares them for their future job search. The students are also honed in qualities like confidence, impressive speaking skills, team-work, honesty and effective time management which are helpful in every sphere of life. They are provided time-bound assignments and group tasks which assist in shaping their overall personality.

20.Distance education/online education:

Throughout the COVID-19 pandemic, entire teaching was done online via platforms like Zoom, Google-Meet, Webex, etc. All the professors were given an orientation to implement the online teaching effectively. The students were provided with the schedule of online classes and all the professors sincerely followed the prescribed timetable. The students were instructed to keep their videos on and their attendance was marked only after confirming their online presence. Whatsapp and Telegram groups for different subjects and different batches were formed where all the necessary information was shared. Many professors recorded their lectures during the online sessions so that students could refer to them later. Online assignments were given and online quizzes were conducted to evaluate the students' progress. Additionally, different days of National and International importance were also celebrated online ensuring complete participation of the students.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time-bound and efficient

The college affiliated Punjabi University, Patiala and adheres to the syllabus laid down by the university. The institution believes firmly in continuous evaluation of the students for their sustained performance. Hence, a structured evaluation process has been designed and implemented. The students are given the syllabus in detail, segregated into various units. After completion of each chapter/unit students are assessed by conducting online class tests, unit tests, webinars and viva voce. The tests are prepared and conducted as per the university examination pattern. Students are made aware of the evaluation process by orientation programme at the beginning of the session. College has examination coordinator for smooth conduction of online university examination. Evaluation is done both in theory and practical examination. The results of each test are declared and shared with students in the respective online groups. Further, through viva voce and online discussion the teachers continuously assess the students and track their progress to identify bright students and slow learners. The performance of the students is monitored by the Head of Department and the necessary feedback is given to academic council and Principal. The Principal conducts review meetings with head of all departments to discuss the various methods for the improvement of students's performance. Parents of students are also involved in this monitoring process. Parents are advised to note the performance of their wards and take remedial measures if required. Whenever necessary, parents are recommended to contact the concerned teachers to discuss about the students's performance.

6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

As the institution had to face challenges because of prevalent Covid-19 Pandemic, the institution planned for an effective functioning and achievement of academic and non-academic goals. In this situation a strategic plan was designed by the college under state Govt. guidelines for the successful continuation of academics and non-academic activities. The college made provision for the learning of online teaching/meeting applications. The teaching and non-teaching staff was given an opportunity to participate in 7-day Faculty Development Programme on G-Suite by 9ledge PRO whereby the virtual meeting mode was made more savvy. The academic goals thus could be met in an effective way. The students were further guided by the teachers about the learning applications. Thus, the perspective plan was to make the teachers aware and savvy with the application, thereby effective teaching-learning process could take place.

The institution has a perspective plan:

1. To be more innovative, creative in academic delivery; with a strong emphasis on effective integration of technology in

the online teaching-learning process.

2. Use of e-content in the curriculum teaching
3. To emphasize on multi-dimensional evaluation of student learning and to enable that student learning outcomes match with their employers expectations.

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

The college follows the appraisal system of parent Punjab Government, and UGC. For annual appraisal and promotion to a higher scale, the required information about the employee is collected through:

1. Self Appraisal Performa provided by the Punjab Education Department.
2. Self Appraisal Performa designed by the college itself.

The data acquired from these sources is crucial for evaluating staff performance and is used by the college to identify people on higher scales. Annual Reports, Prospectuses, Brochures, and College Magazines can all benefit from this. This information is quite useful when it comes to promotions to a higher level or even granting annual raises. Teaching employees are promoted according to UGC-CAS guidelines, whereas non-teaching staff is promoted according to Punjab Govt. guidelines. For information, a letter from management authorizing placement on a higher scale or giving an annual increment is sent to the staff person. Annual raises are given without delay, with a few exceptions, and placement on a higher scale is made by management. This entire process of acquiring data and presenting it to the right parties is extremely efficient and transparent.

INSTITUTIONAL VALUES AND BEST PRACTICES**7.1 - Institutional Values and Social Responsibilities**

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

The college shows gender equity by encouraging girls to participate in various curricular and co-curricular activities with great zeal and zest. The ethics of the institution rely on providing equal opportunities to girls thereby making an effort towards gender sensitization. The college promotes gender equity by organising various activities on the themes: "Save the Girl Child", "Beti Bachao, Beti Padhao", International Women's Day and many more. Complete safe environment is provided to girls and no outsider is allowed to enter the college premises to prevent the indecent crowds presence. Renowned academics are invited to give talks and interact with faculty and students on various topics such as gender bias, dowry system, female foeticide and domestic abuse. NCC and NSS units hold declamations, essay writing competitions, poster presentations, Rangoli competitions, and rallies based on the topics of gender sensitization. Sanitary pads were purchased by the Red Cross Committee of our college and were distributed to needy girl students. On 8th March, 2021, voter card committee organised a state level quiz competition on "Role of Women: Election and Politics". On 8th April, 2021, International Women's Day was celebrated by Department of Psychology. Further, the entire campus is a "no-ragging zone".

7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management
--

The college is devoted towards an intensive waste management process right from its inception to its final disposal. A substantial number of dustbins have been installed in every nook and corner of the college for the collection of solid waste. These dustbins are emptied at regular intervals. The biodegradable waste collected in the college is dumped in the compost pits for decomposition over time. All the biodegradable clutter collected from parks, ground, dustbins and those obtained from bush-cutter and lawn-mower are all dumped in the pits to be further used as biofertilizer or natural manure. There is a systematic drainage system in the college for an efficient drainage of the liquid waste produced. The college produces zero chemical, biomedical and radioactive waste. The main auditorium of the college which is being used for covid vaccination of general public is regularly cleaned. Regular maintenance checks are performed. Special medical-waste bins have been installed for the disposal of used injections, cotton swaps etc. and the bins are carried away by the medical staff on daily basis. The college has minimum e-waste. Any

error in the electronic equipment is analysed by the waste management committee of the college. Rather than throwing away or discarding malfunctioned apparatus or equipments, emphasis is laid on getting them repaired first. All the electronic items which are beyond repair and other furniture waste are sold to vendors for recycling.

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities (within 200 words).

The college promotes inclusive education in all its curricular and co-curricular activities. Different sports and cultural activities are organised to promote mutual harmony and a feeling of sportsmanship among the students. The efforts to bridge any cultural, regional, linguistic, communal and socio-economic gaps are made by dividing students into teams where each individual is from a different background and then encouraging them to participate in different events. This also generates a feeling of team work and train the students to work in groups. Commemorative days like Women's day, yoga day, National days of importance are celebrated to promote tolerance and harmony. Both faculty and students follow a separate code of ethics and both the groups have to abide by those ethics.
