## (7.1.9 (II))

### Constitutional Obligations

The vision and mission of the college are well inscribed on a board which is located at the entry of the college. All the students are treated equally and admissions or scholarships are also provided to the students as per the reservation. The college strictly adheres to the seats allocated to different streams under different categories. The merit, as well as the admission, is done solely on the basis of seats reserved. No partiality or unfair conduct is done to the students affected with HIV-AIDS. These students are not barred from being admitted. Fair conduct is followed by the college so that students can happily attend their classes without any interruption.
